Work Item 3402

Amend API RP 9B Section 3.8.6 to add clarity

<u>Current Wording:</u>
API RP Section 3.8.6
Use sheave gages as shown in Figure 12. Detail A Shows a sheave with a minimum groove radius. Detail B Shows a sheave with a tight groove, which should be replaced or reworked.

<u>Proposed Wording:</u>
API RP 9B Section 3.8.6
An appropriately sized sheave gage according to Table 8 shall be used for the condition being evaluated. See figure 12 for proper use of a sheave gage. Detail A shows a sheave with a minimum groove radius. Detail B Shows a sheave with a tight groove, which should be replaced or reworked.
